ABOUT US

In India, year 1950 is the era of colour industries when Tota (parrot) brand colour was introduced in the market. The brand has changed the experience of playing Holi and gave the industry its much needed recognition. The brand is market leader since that time and is one among the few brands having Pan-India presence.

Tota brand is synonymous to quality and trust, and our dictum is to offer best-quality colours at most affordable prices. Today, Tota brand colours are not only spreading their magic and aroma in different states of India, but also in other parts of the world. In order to accomplish our commitment to offer best-quality colours that are skin and nature friendly, we joined hands with National Botanical Research Institute (N.B.R.I.)—an Indian Government organization. In association with NBRI, we produce Herbal Gulal as a part of commercial production.

Apart from Holi colours, R.B.Group (Tota brand) also manufactures Dyes – colours for cotton, wool, silk, paper and jute industry, Hing – Asafoetida, Kumkum, Sindoor, Hawan Samagri, Camphor, Dhoop, Incense sticks, Mehendi (henna), Party Spray, Snow Spray, etc.

We are flattered and pleased by the love and trust of our valued customers and assure that we will continue to deliver best-quality colours in future also while maintaining our commitment to care for your skin and health.
